## EXPERIENCE

### Property Searching App

Home101 | 07.2020

A project to help users to get more information with less stress when searching for a property.

### 5 Days Design Sprint

Fridge, Please | 06.2020

Design Sprint for a MVP product, fridge management app, with a peer designer. I was able to experience end-to-end designing process.

### AI Healthcare App

Preno | 04.2020 - 05.2020

With the research of my target users and AI, I came up with UX/UI for an AI-generated health monitoring app to help young adults stay healthy.

### Social Housing Mobile Game App

Affo | 02.2020 - 03.2020

Creating a mobile game UX/UI and a digital campaign for the response to YCN brief.
